

Scoring

There will be at least 4 races, but more races will be added if lockdown continues.

Your best 66% or more results will be used. For example if we have 4 races then the best 3 races will be used = 75%, (2 races would only be 50%), if we have 5 races then the best 4 will be used = 80% (3 would be only 60%). After that head-to-head results will be used, i.e. who has been ahead in most races they have both contended. Then average score.

All competitors gain points within their gender, but final positions will be decided across all competitors.

Latest Route: Route 7 Walker Fold

Name	Category	Time	No. Laps	Run/Bike	Score
